## Reopening 2020 - 2021 Plan Preferences

### Important Information for both Preference 1 & Preference 2

#### Attendance

Based on NYS guidelines, attendance will be recorded daily

#### Grading

Grading will be consistent in both the in-person and virtual models. The expectation will be that the curriculum and assessments will teach and measure the same NYSED Learning Standards

#### Code of Conduct

The approved CCSD code of conduct and the Academy student handbook will be followed

#### Extra-Curricular Activities

May meet on a limited basis, pending approval for building administrators, extra-curricular activities are available to students in both preferences

#### Communication

Regular communication will come from teachers and the District via BravesSquare

#### Technology

All students will be issued a CCSD Chromebook. There will be hardware technology help to all students in the event they are experiencing technology issues.

### Preference 1: Virtual Learning

**At this time, Virtual Learning is a choice for the 1st Semester**  
**The 1st Semester ends January 29, 2021**  
**Students will receive synchronous instruction at home**

#### Daily Schedule

Learning will be synchronous (teachers and students engaging at the same time) and students will be expected to virtually attend class at the designated time for a full 9 period schedule. Schoology will be utilized as the Learning Management System.

#### Academic Expectations

Teaching and learning will be similar to the academics for students who are physically attending classes. Planning for music instruction is under development and lessons may be delivered virtually.

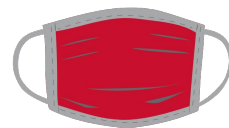

#### Course Offerings

Electives will likely be limited due to limited staff availability and practical nature of the course materials.

## Preference 2: Attending School In-Person

### Before Coming to School

#### Health Screening

Families will be required to report their child's morning temperature prior to attending school.

#### Transportation

Families are encouraged to bring their children to and from school each day. Students are required to wear masks while riding the bus. Staggered pick-up and drop off times may be necessary.

### Teaching & Learning

#### Music Classes

Students will use different instructional spaces to accommodate 12 feet social distancing. Planning for music instruction is under development and lessons may be delivered virtually.

#### Physical Education

There will be no changing for PE class and backpacks will be left in a designated spot in the gym. PE classes will be using multiple spaces throughout the building and going outside as much as possible.

#### Technology/ Art

Courses that are highly hands on will follow the guidelines to ensure safety and cleanliness. This will mean less group work, minimal shared materials and alternative projects.

### Throughout the School Day

#### Schedule

There will be a normal nine period schedule. Normal 9 period schedule. The hybrid model will reduce in person class sizes approximately by half.

#### Classrooms

Maintain 6 feet with a mask, further distance if a child is not required to wear

#### Masks

The NYS Guidelines state that face coverings will not be placed on students where such coverings would impair their health or mental health or where such covering would present a challenge, distraction, or obstruction to education services/ instruction. We would encourage you to choose the virtual option if your child can not tolerate a face covering. There will be designated areas for mask breaks.

#### Hallways

There will be no large groups gatherings in hallways, common areas, or assemblies. Lockers will be accessed only at certain scheduled times and students will carry a backpack.

#### Lunch

In order to maximize the number of students who can be seated in the cafeteria, students will be seated in individual desks 6 feet apart and additional spaces. Cafe staff will wear masks and gloves and there will be no self-serve.

#### Materials

Chromebook loaners will be available on an extremely limited basis; some classroom materials will need to be shared; we will limit this as much as possible and cleaning protocols will be in place. Example: Tech classes

A hybrid model is how those who select "In-Person" will begin the school year

## Hybrid

**Hybrid: Students attend *in person* part of the week and *remote learn* part of the week**

Cohort 1: Last names A-K *in person Monday, Tuesday*, remote Wednesday through Friday

Cohort 2: Last names L-Z remote Monday through Wednesday, *in person Thursday, Friday*

## While Attending Remote Learning

#### Schedule & Academic Expectations

Students will be expected to check in with their teacher daily and complete all assignments on-time as requested. Students will be engaging in daily instruction/classwork through Schoology.

#### Music Ensemble Classes

Planning for music instruction is under development and lessons may be delivered virtually.

#### Physical Education

Teachers will provide specific activities and instruction designed to be completed at home. Students will be asked to provide evidence of completion.

#### Technology/ Art

Students will be required to show progress on assignments provided by staff while they were in school. Teachers will utilize different strategies to accommodate the need to teach standards at home.
