# COMMUNICATING INTERNAL CONTROL RELATED MATTERS IDENTIFIED IN AN AUDIT

For Year Ended June 30, 2022

September 12, 2022

To the Board of Education Canandaigua City School District, New York

In planning and performing our audit of the financial statements of Canandaigua City School District as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered Canandaigua City School District's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Canandaigua City School District's internal control. Accordingly, we do not express an opinion on the effectiveness of Canandaigua City School District's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, as discussed below, we identified certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated September 12, 2022 on the financial statements of the District. We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. Our comments are summarized as follows:

The District's responses to the deficiencies identified in our audit have not been subject to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

## **Prior Year Deficiency Pending Corrective Action:**

## Capital Assets –

The District obtained an updated capital asset and depreciation schedule during the year and updated their schedules to provide for the allocation of depreciation, however, the District is working with the third party to reconcile the balances on the books to the amounts reported by the third party.

#### **District's Response**

The District has contracted for a full appraisal of assets to be completed during the 2022-23 School Year. This will be overseen by the Assistant Superintendent for Business and be completed by June 30, 2023.

## **Current Year Deficiency in Internal Control:**

## **School Lunch Fund** -

As a result of Federal stimulus funding the School Lunch Program generated an operating surplus during the year resulting in an assigned fund balance at June 30, 2022 totaling \$515,384. This fund balance appears to be in excess of the three month average expenditure level recommended by Federal Regulation #JCFR Part 210.15.

We recommend the District continue to monitor the fund balance in order to comply with the Federal Regulation.

## **District's Response**

The District will monitor the fund balance in order to comply with the Federal Regulation. The Assistant Superintendent for Business along with the Director of Food Service will develop a plan by December 31, 2022 to ensure that the fund balance complies with the regulation.

## **Prior Year Recommendation:**

We are pleased to report the following prior year recommendation has been implemented to our satisfaction:

1. The School Lunch Program had an operating surplus during the year.

We believe that the implementation of these recommendations will provide Canandaigua City School District with a stronger system of internal control while also making its operations more efficient. We will be happy to discuss the details of these recommendations with you at your convenience.

This communication is intended solely for the information and use of management, the Board, audit committee, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

We wish to express our appreciation to the business office staff for all the courtesies extended to us during the course of our examination.
