

**CANANDAIGUA ACADEMY**  
**SCHOOL SUPPLIES 2018-2019**

**All Students Need**

Folders, pens, pencils, paper, a student agenda, and possibly a USB flash drive

**Art**

**Drawing & Painting I and II**

- Spiral or book bound sketchbook, 9 x 12 inches.

**Computer Art, Graphic Design, and Intro to Digital Media**

- USB storage device

**Business**

**Business Law**

- 3-ring binder, paper

**College Accounting**

- Calculator, pocket folder

**English and Foreign Language**

Each teacher has different requirements for notebooks, which will be given to students during class.

**Math**

General Supplies: 3-ring one-inch binder, ruler, graph paper, notebook paper, pencils, compass (Geometry).

**All math classes require students to have a calculator.** Please be sure your child has this calculator for the first week of school as it will be used in class and needed for homework. Please be sure your child has the correct type and model of calculator as classroom instruction will be specific to the calculator required for each math class. Let your child's math teacher know if financial assistance is needed.

Below is the type of calculator that is used in each math course: **Graphing Calculator model TI84 plus** (\$120.00\*) These calculators can be purchased at stores such as Walmart, Target, Staples, or on-line at Amazon.com. We suggest that you purchase these in early August to be able to take advantage of the back-to-school sales. However, be aware that several stores sell out as the first day of school approaches.

\*Prices are approximate.

**Science**

Every student taking a Regents course will need to purchase a review book in addition to the lists below.

**Living Environment:** Common supplies needed no matter which teacher to whom you are assigned:

- Pencils and pens
